

# بے پرواہی

Bar Beirut is a remarkable  
fusion between the Middle Eastern  
yearning for fun and the Parisian  
insistence on perfection.

Why people who like to party say Beirut  
is the 'Paris of the Middle East'

If all you've heard about Beirut is on the news,  
you'd be forgiven for thinking the famous Lebanese  
capital is nothing but a city of war, hate and  
hostility. But as the saying goes, that's bullshit.

The real Beirut is a buzzing epicentre of nightlife,  
renowned around the world by party people from  
all corners of the globe as one of the places to  
be for beats, eats, vibes, love and cocktails... a  
cosmopolitan heart beating with bars and clubs open  
all hours, places where nobody cares about your  
religion, your race, or the hand you want to hold.

Bar Beirut is about serving the fantastic  
possibilities of the future, one cocktail at a time.
